A Statement from the Prosecuting Attorney:

Two years ago I was solicited by many Republicans to become a candidate for Prosecuting Attorney. I was drafted for service. I accepted and was elected. I have given the people of the County faithful and conscientious service. Under these circumstances, am I not entitled to a re-nomination? Should I have opposition? However, an opponent has filed against me for the Republican nomination. May I not appeal to the sense of justice and fair play of every Republican at the coming primary on August 3rd, 1920.

R. H. DAVIS, Prosecuting Att'y.
